Dear Bicycle Pedestrian Advisory Committee,

Our family moved to Milpitas, Ca from San Jose, Ca in 1979. I recall my first day in our new house, my sisters and I took our bikes with the banana seats and went exploring Milpitas for bike routes. That started our love for exploring and discovering the city of Milpitas by bike. We discovered Ed Levin Park, Piedmont Road, and the newly upcoming Milpitas Blvd from Escuela to Landess.

I now have my own family of four and a beautiful golden retriever. We ride bikes throughout the city and enjoy the McCarthy Ranch trails. I love the map of trails here in Milpitas that was published several years back. We enjoy our city's trails!

Thank you, Milpitas!

**Subject:** Library Commission Application

To whom it may concern:

Good morning. My application is attached, but the portion to describe personal qualification seems cut off. Here is the entire statement:

I am a impassioned resident of Milpitas. My husband and I are very active every election season, and try to be abreast on all issues that affect my community and family. I am thankful that my consulting jobs allow me to be active in my daughter's daily life. Her education and well being are the primary voices behind a majority of our choices. When I was informed of the vacancy of the commission position for the library, I reached out to my local councilman and inquired if I could be part of it. I know that the library commission will give us voice as to how it can help empower education at the forefront of our community. It would be a great pleasure if I am allowed to be part of this commission.

Best,  
Carla
